

DDO D-SEAT

MANUFACTURER: Diversability Development Organization (DDO)

OVERVIEW: The D-Seat seating unit for wheelchairs is an innovation that fills a void in the world of assistive technology. Modular and versatile, it can be mounted on virtually any seat-base and contains a set of interchangeable postural supports. The seat and back cushions can be easily shaped for postural support and pressure relief. It comes pre-assembled and ready to be adjusted and custom-fitted.

INTENDED USERS: Pediatric and adult wheelchair users who require additional postural support to be able to sit upright.
