## ROUGHRIDER

### MANUFACTURER:
RoughRider America

### OVERVIEW:
The award-winning RoughRider is designed to handle rugged terrain with ease. Proven in over 25 countries by thousands of riders who live in the worst of conditions and need the best of chairs. Riders use it as a super-durable daily-use chair or as a backup when life calls for off-pavement adventures.

### INTENDED USERS:
Active adults without postural support needs who regularly use a wheelchair in rugged conditions and on uneven surfaces; older adults (over 65 years old); available for teenagers/older children
